

HOUSE FAVORS BAN ON IMMIGRATION

Two Year Alien Ban Seems Certain to Pass Lower Body

TEST VOTE 151 TO 9

Siegel of New York Raps Reversal of
Policy By Congress—Situation De-
clared Alarming.

Washington, D. C., Dec. 10.—Pas-
sage by the House of the Johnson bill
to prohibit immigration for two
years became practically certain yes-
terday, when the first test vote on a
motion to call it up showed 151 for
and only nine against.

Half of the four hours allotted
for general debate had been con-
sumed when the House adjourned
last night, and the remaining time
for discussion will be used early
yesterday. Then the measure will
be read for amendment under the
rule limiting speeches to five min-
utes, with a prospect of final pas-
sage today.

There were reports yesterday,
however, that the bill will not have
such easy sailing in the Senate.
Some of the leaders in the Upper
Branch while agreeing to the ne-
cessity for immigration exclusion
legislation in some form, are said
to favor the creation of a board
with authority to regulate the en-
try of aliens as conditions may de-
mand, rather than impose a blanket
prohibition for two years.

Representative Siegel, Repub-
lican of New York, and Sabath,
Democrat of Illinois, both members
of the Immigration Committee, are
making a strong fight against the
bill, but it was noticeable that
much of the sentiment which heretofore
has prevailed against immigra-
tion exclusion now is lacking.

The Republican leaders in the
House are back of the proposed leg-
islation and its opponents were able
to muster but a few recruits to
their ranks.

Some amendments may be adopt-
ed in the House, but they will not
alter the general purpose of the
bill, it is believed. The California
members will strive to make it cer-
tain that no loopholes that might
permit Japanese to come in are left
in the measure.

Championing the bill, Representa-
tive Albert Johnson, of Washington,
chairman of the Immigration Com-
mittee, declared the present situa-
tion and the future welfare of the
United States made it urgently
necessary that the influx of aliens
be stopped for two years. In that
time, he explained, it is the purpose
to enact a comprehensive immigra-
tion law.

"There is a genuine cause for
alarm," said Chairman Johnson,
"when the influx has reached a
point, as it did last week, of 16,000
souls entering through one port
alone. The record of 1907, when
more than 1,000,000 aliens entered
the United States, will be surpassed
if the present rate of increase is
maintained.

"Our country now is in need of
two million homes to shelter those
already here and there are one mil-
lion workers out of employment.

"The fact is that the new immi-
gration is not of the kind or qual-
ity to meet the real needs of the
country. We are being made a
dumping ground. We are receiving
dependents, the human wreckage of
the war, not the strength and vir-
ility that once came to hew our
forests and till our soil.

"And worst of all, they are com-
ing in such numbers at a time when

we are unable to adequately take
care of them."

Representative Siegel characterized
the bill as "so drastic a change in
the historic policy of the United
States as to be startling."

Replying to the argument there
is widespread unemployment, he as-
serted there is no evidence of a
state of unemployment, except
sporadically or voluntarily. On the
contrary, he contended, there is suf-
ficient opportunity for employment
for those who desire it.

Artificial restraints against build-
ing that have largely caused the
shortage of housing, he continued,
rapidly are disappearing, "and to
some extent will be diminished
through immigration."

Representatives Siegel and Sa-
bath, who joined in submitting a
minority report assailing the legis-
lation, declared:

"The allusions to the Jews con-
tained in the majority report are
offensive although we cannot be-
lieve that they are intentionally so."

"It would be a sorry day in Amer-
ican history," the minority report
continues, "if our country, that has
heretofore been an asylum for the
persecuted, were to slam its doors
in the faces of those who have been
and continue to be the victims of
oppression, persecution and dis-
crimination in the lands in which
they live."

Representative Baker, Democrat
of California, said incoming immi-
grants were causing congestion in
cities and that there were not
enough homes for Americans. Sie-
gel replied that if the Attorney
General had prosecuted the build-
ing combines which increased the
price of building materials 300 per
cent, there would not be such short-
age of housing.

Baker asked why the District
Attorney in New York did not pro-
secute them. This officer, Siegel
replied, claims that he could not
prosecute unless ordered to do so
by the Attorney General.

Proposal of this legislation, ac-
cording to Representative Griffin,
Democrat, of New York, was an
"exhibition of penic and intoler-
ance."

ROOT AND SENATOR FALL

HAVE 4-HOUR CONFERENCE

Washington, Dec. 10.—Ellis Root,
often called the "master mind" of
the Republican party, the man whom
Senator Harding is being strongly
urged to appoint Secretary of State,
had a four hour conference yester-
day with Senator Fall of New Mex-
ico, who is perhaps the closest con-
fident in Washington of the Presi-
dent-elect.

The fact that the two men had had
a protracted talk aroused the utmost
interest among politicians, but so far
as is known curiosity was not satis-
fied. Both Senator Fall and Mr.
Root declined to reveal the nature
of their discussion.

DREADNAUGHTS PLAY FOR CHAMPIONSHIP

All Alexandrians are asked to fol-
low the Dreadnaught football team
to Washington Sunday, to give them
the support they need on the side
line.

They are going to put up a great
fight for this game Sunday and are
practicing every night in the ar-
mory with plenty of pep in their
practice.

The wonderful fight put up by
them last year when they were han-
icapped by a snow covered field will
never be forgotten by Alexandria
fans. They lost but did not leave a
bad impression as they were only
beaten by 3 to 0 when Harry Harris-
son, one of the country's greatest players
booted a field goal in the second
quarter. They are not saying much
and will keep quiet on their pros-
pects of winning, but we can give
you a hunch that you had better be
there.

If the Big D can return winners
Sunday they will bring the first
championship that Alexandria has
ever had in football. After many
years of being on the short end of
the score in every championship
game, we can predict that Alexan-
dria has the best chance they have
ever had to be returned winners.

Coch Billy Crook has worked
hard during the past two years for
the football team, never really get-
ting a penny in return for his wonderful
work. Several attractive offers were
made him this year by teams who
needed a coach, but he promised to
try and give us a championship.
Are you Alexandrians going to show
your appreciation for his work Sun-
day, and help this young man and
his team on to victory. We need all
of you over there Sunday. Alexan-
dria should be proud of the showing
her athletic teams have made against
teams picked from a city of 400,000
population.

Receive Signs

Chamber of Commerce Has 72—Local Retail Credit Bureau

At a meeting of the Retail Mer-
chants Bureau of the Alexandria
Chamber of Commerce held last night
the committee on signs advertising
the city reported that seventy-two
signs had been received and were
ready to be put up. The committee
will arrange to have these signs,
which are lettered "Shop in Alexan-
dria" and shows the distance to the
city, erected on all roads leading into
the city and will be placed at a dis-
tance of from one to ten miles from
the city.

The entertainment committee stated
that a special program of entertain-
ment would be arranged for the Feb-
ruary meeting of this bureau. The
best entertainment arranged by this
committee was highly enjoyed by all
members and it is expected that a
large attendance will be present on
that night.

A movement was inaugurated to-
ward establishing a local association
of Retail Credit Men's National As-
sociation in connection with this Bu-
reau, and the following committee
was appointed to take up this matter
and endeavor to effect this organi-
zation.

Portrait Presented

Ceremonies in Connection With Pre- sentation of Oil Painting of Late Judge J. B. T. Thornton

An oil painting of the late Judge
J. B. T. Thornton, who was judge of
the circuit court for this district, has
been presented to the court at Ma-
nassas, Prince William county.

Exercises incident to the presen-
tation took place Monday, Judge C. E.
Nicol, of this city, presided and a
speech of presentation was made by
George C. Tyler, clerk of the court,
on behalf of Mrs. Fannie B. Thornto-
n. Judge S. G. Brent, of this city,
made a speech accepting the portrait
in which he paid a tribute to Judge
Thornton. The portrait now adorns
the wall of the courthouse.

Argue Appeal

Decision Expected in February in Case of Slaver of T. Morgan Moore

Arguments on appeal for a new
trial in the case of William Turner
Moore, convicted of the murder of
T. Morgan Moore, of this city, which
occurred May 23 at the south end of
the highway bridge were made in
Richmond yesterday by counsel for
the accused before the United States
circuit court of appeals.

The case was taken under advisement
by the court. It is expected
that a decision will be handed down
at the February term of court.
Turner held up Moore at the south
end of the bridge May 23 and shot
him to death. At the time Moore
was accompanied by a young lad
of Washington, the machine gun
which Moore and the young lad
were seated was parked a short dis-
tance south of the bridge.

Turner, who is a resident of Ar-
lington county, was captured earl-
y that morning and tried in Rich-
mond and sentenced to be hanged. His
counsel, however, noted an appeal
and the case has dragged on since
the appeal was noted.

SCORE SUCCESS AT FIRST PERFORMANCE

Players Club Puts on Vaude- ville—Eight Acts

APPRECIATIVE CROWD

Participants Demonstrate That Alex-
andria Has Splendid Talent—To
Play Tuesday at Pohlke

Those who failed to see the vaude-
ville show presented in the Elks
auditorium last night by members of
the Players Club missed one of the
best amateur performances ever
given in this city.

The first number on the program
was called "Light as Air," a tumb-
ling act presented by Miss Mary Lee
Sullivan and Kirk E. Wallace. This
act was good to that of profession-
als and received the applause their
splendid work merited.

The second number was a humor-
ous monologue by A. J. Rhodes,
president of the Players Club, which
was greatly enjoyed. Mr. Rhodes
is a splendid speaker and is in con-
stant demand at entertainments in
the city as he has a wonderful store
of stories to tell in his inimitable
manner.

Numerous other numbers were
presented next, called "La Proutie,"
by Mrs. Robert M. Hancock, for-
merly Miss Gladys M. Rodgers. She
was a most attractive Pierrette cost-
ume, and her dancing could well be
called "top liner" at any vaudeville
house.

The "Lucky Vase Quartette"
consisted of Mrs. W. Bales, Es-
sential James, Edward Oliver and Al-
bert H. Roberts was a black face
comedy sketch and was excellent.
Their songs were a decided hit. Miss
Fath Roberts was the accompanist
for this act.

Numerous other numbers were
presented, including a solo by
Stephen Field, who also gave an en-
core. The hearty applause he re-
ceived testified to the audience's
appreciation of his singing.

A piano solo by Francisco de Con-
ville was the sixth number on the
program and was a treat to the mu-
sic lovers of the city.

The grand finale was the "Alex-
andria Follies," with five young
ladies in solo parts and a chorus of
men and one solo dance. This act
was trained and directed by Mrs.
William H. T. Brooke and Miss Kath-
erine Carroll Waller, and too much
praise can be said in praise of these two
young ladies as teachers and direc-
tors. They have given their time
and talent for a month past, and the
splendid performance of last night
is a testimonial of their efforts.
Much of their training alone could not
have produced the finished act, had
the young girls in it not have pos-
sessed unusual talent and adaptabil-
ity.

APPROPRIATION AND DEFLATION

Consternation has been expressed by the committees engaged in going over the estimates for government expenses because the estimates are, with few exceptions, higher than ever. Drastic cutting is forecast.

If Congress can save money, it will deserve well of the country. But there is this to be remembered—economy at the expense of efficiency is not economy, but waste. In order to secure the best result for the money, reorganization of systems is more vital than mere reduction of appropriations.

There is this to be remembered also, that the present estimates were based on the old, inflated prices and the old, inflated ideas. It may be that Congress will find it too early to forecast future costs with sufficient accuracy to warrant cutting down the sums asked for to any considerable degree. But this at least can be done: A watch can be kept upon every department to see that it is run efficiently and that its expenditures fall with prices. This would mean that every department would not only keep well within its appropriation, but that some of them should be able to show a balance in the government's favor at the end of the next fiscal year.

MERRY XMAS SAY YOURS ELECTRICALLY

Fortunate, indeed, is the housewife who receives practical ELECTRICAL GIFTS for Christmas. And fortunate, indeed, is he who thinks of these labor savers as the very acceptable gifts. "MAKE THIS AN ELECTRICAL CHRISTMAS." Below are a few of the many beautiful, serviceable articles we are featuring as the best Yuletide gifts.

Why Not a VACUUM CLEANER For Christmas?

The vacuum cleaner is the arch enemy of dust, grime and dirt. It detests soot and filth. It is the champion of cleanliness. It does housework efficiently, economically and dependably. Come in and see them now.

AN ELECTRIC WASHING MACHINE

Knows no "Blue Mondays." It labors without a vacation, it needs no rest, it always is willing, ready when needed, and does its duty well.

AN ELECTRIC TABLE LAMP

IS A THING OF BEAUTY

Handsome art shades and beautifully made stands, make this showing of lamps a pleasure. And any woman will be thoroughly pleased with such a Xmas gift.

Reduce Your COOKING TO A MINIMUM

Place this handsomely finished Grill on your dining table and see how quickly and well you can cook your meals. From the daintiest of viands to the most commonplace cooking this electric stove will satisfy you in every particular.

Delight Her With An ELECTRIC SEWING MACHINE

Every woman would be proud to be the possessor of an electric sewing machine and be able to do her sewing at home, without labor or expense. Let us show you how easy they are to operate. Call today.

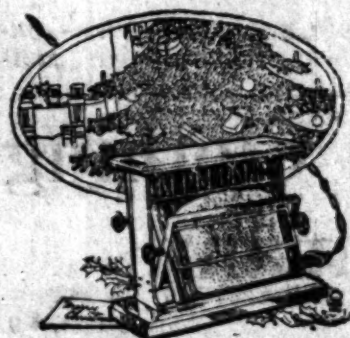

COOK ELECTRICALLY NEXT YEAR

Buy her an electric range this year and see the great satisfaction such a means of preparing the meals will bring.

Come in today and see the different styles of Rutenber electric ranges we are showing for the holiday season.

Breakfast and a Cold Winter Morning

Late getting up—the first thing thought of is toast and coffee.

Start the electric percolator and toaster and in a few moments a delicious breakfast is ready. Either is a very much appreciated Xmas gift.

EASE HER HOUSEWORK

One of the greatest of electrical labor savers is an Electric Iron. It saves time and energy and makes ironing day a pleasure instead of a drudge.

it was learned yesterday. The pouch was believed to have contained no diplomatic correspondence.

Some registered letters and packages it contained were found in a downtown hotel room after a couple registered as A. Edwards and wife had occupied it, postoffice inspectors announced. A mail reported finding fragments of mail matter littered about the place, and postal officials were notified.

The date of the theft was placed as November 13 by Inspectors Collis and Sommers, investigating the case. On that date an empty sack of the type used for international mail was found on Hudson street.

DODSON WARNS CALOMEL USERS

It's Mercury! Attacks the
Bones, Salivates and
Makes You Sick

There's no reason why a person
should take sickening, salivating cal-
omel when a few cents buys a large
bottle of Dodson's Liver Tone—a per-
fect substitute for calomel.

It is a pleasant, vegetable liquid
which will start your liver just as
surely as calomel, but it doesn't make
you sick and can not salivate.

Children and grown folks can take
Dodson's Liver Tone, because it is
perfectly harmless.

Calomel is a dangerous drug. It
mercury and attacks your bones. Take
a dose of nasty calomel today and
you will feel weak, sick and nauseated
tomorrow. Don't lose a day's work.
Take a spoonful of Dodson's Liver
Tone instead and you will wake up
feeling great. No more biliousness,
constipation, sluggishness, headache,
coated tongue or sour stomach. You
druggist says if you don't find Dod-
son's Liver Tone acts better than hor-
rible calomel your money is waiting
for you.

For Biliousness

Sick Headache, Sour Stomach, Bloat-
ing, Gas, Constipation—all these dis-
tressing consequences of indigestion are
avoided if the bowels are kept open
and regular.

FOLEY CATHARTIC TABLETS

act promptly, without pain or nausea.
They clear the bowels, sweeten the
stomach and tone up the liver.
